New York – New Horizon Real Estate Partners LLC is pleased to announce the purchase of a 4 family property located in the Bronx. Terms were not disclosed.

Located in the highly desirable Bedford Park neighborhood of the Bronx, the property is conveniently located to the New York Botanical Garden as well as public transportation, including a Metro North station.

This is New Horizon's first real estate investment. According to Jose Francisco Avila, managing member, "We see our initial real estate investment as the groundbreaking ceremony for the construction of the avenue that will allow the Hondurans of the Bronx to reach the first rung of the economic ladder. Once we've reached that rung, it's our intention to keep climbing until we become active participants in the Bronx's and New York City's economic development."

Real estate investment provides opportunities for increasing member's assets and for strengthening our voices in local economic and public policy decisions. Therefore, New Horizon plans to get actively involved in the community and will submit an application to seek membership in Community Board # 7
